Tee off at 12:30 p.m.**

EVENT OVERVIEW

The Niagara Regional Fire Chiefs Association, representing all 12 Municipalities in the Niagara Region, working with community partners to prevent fires and reduce fire losses.

The Annual Golf Classic is the primary fundraiser for the organization. The success of our golf tournament depends on the generosity from individuals and businesses. Whether you or your organization are renewing their support or becoming a first-time supporter, there are many sponsorship levels for your consideration.

Your registration includes:

18-hole round of golf at the prestigious Peninsula Lakes Golf Course - scramble format, cart, lunch served on the course and conclude with dinner, prizes and raffle table.

The 2024 NRFCA donation hole will be Wellspring Niagara. Wellspring is the only cancer support centre serving the Niagara Region. As a registered charitable organization, Wellspring Niagara relies entirely on donations from generous individuals, sponsors, and corporations to sustain its free programs and services.

Wellspring receives NO core government or hospital funding. For almost 25 years, Wellspring Niagara has been a beacon of hope, focusing on our mission to support the unique non-medical impacts of cancer. By providing social, emotional, psychological, restorative, and informational support free of charge to men, women, and children living with cancer, including their families and caregivers, Wellspring plays a crucial role that no other organization does.

Since opening its doors in June 2001, the demand for programs and services has experienced continual year-over-year growth, especially post-COVID, with new needs emerging. As Niagara's only cancer support centre, they have become an essential resource for the thousands of people impacted by a cancer diagnosis.

Third-party events, such as this golf tournament, are critical to the success and legacy of Wellspring Niagara.

If you have cancer, you need Wellspring
